TABLE D-VI

DISTRIBUTION OF INDUSTRIAL CATEGORIES OF WORKERS AND NON-WORKERS BY PLACE OF BIRTH

TABLE D-VI—DISTRIBUTION OF INDUSTRIAL CATEGORIES OF WORKERS AND NON-WORKERS BY PLACE OF BIRTH

Fly-Leaf

This Table has been prepared for districts, and cities/town-groups of populations one lakh and over. It shows distribution of birth places by industrial categories of workers and non-workers. It gives valuable information on the category of workers among migrants by birth place.

The Table is presented for total, rural and urban areas separately. For rural it is prepared for total population and those 'Born in India', and that too for those 'within the State of Enumeration' for the following categories :

(i) Born in place of enumeration,

(ii) Born elsewhere in the district of enumeration,

(iii) Born in other districts of the State

In addition, four numerically most important States of immigration, whether adjoining or not are given in the case of State and each district separately and shown in the descending order of immigrants from each of them. This selection has been made by considering immigrants in the Rural Table itself.

In the case of total and urban, the Table has been prepared for all the above groups, as also for other States in India and foreign countries. The Table for total and urban excludes the information of those States under group II—'States in India beyond the State of Enumeration' where the immigrants are less than one per cent of the total immigrants under group A-II. The States thus omitted are shown in Appendix I to this Table, and the percentage for the purpose of this Appendix has been calculated on total migrants in group A-II of the total Table.

No abridgement has, however, been made in respect of cities/town-groups in the urban part of the Table except the omission of the 'unclassifiable', where it is less than 5 per cent.

The line for 'unclassifiable' in column 2 has been omitted as the total figure under this category is less than 5 per cent of the total migrants in the particular main group in column 1.

Under groups B, C, D, E and F, the following countries of each continent have been presented in this Table. The total of the remaining countries is given against 'elsewhere' in the Table, the details of which are given in Appendix II.

(B) Countries in Asia beyond India (including U.S.S.R.)
- Afghanistan
- Burma
- Ceylon
- China
- Nepal
- Pakistan
- Singapore, Malaya and British Borneo
- U. S. S. R.

(C) Countries in Europe (excluding U.S.S.R.)
- U.K. (including N. Ireland)
- Ireland

(D) Countries in Africa
- Kenya
- Mauritius
- Mozambique
- Union of South Africa

(E) Countries in Two Americas
- Canada
- U. S. A.

(F) Countries in Oceania
- Australia
- New Zealand

Apart from the States/Territories appearing in Appendix I, such of the States/Union Territories under group A-II and the countries/continents under groups B, C, D, E and F from which migrants are not reported, have been omitted from the Table.

D-VI—DISTRIBUTION OF INDUSTRIAL CATEGORIES OF WORKERS AND NON-WORKERS BY PLACE OF BIRTH

"Wherever the line for unclassifiable in column 2 is omitted it should be assumed that the total figure under this category is less than 5% of the total population in the particular main group in column 1"
