FPF

Director of Census Operations,
Union Territory Chandigarh

INTRODUCTORY NOTE

It gives me great pleasure to release this paper containing 1981 Census Final Figures of Total Population as well as Scheduled Caste Population of Union Territory.

It may be recalled that within a short period of a fortnight after the close of Census Operations, Paper-1 of 1981-Census 'Provisional Population Totals' which presented some basic figures such as distribution of population, sex ratio, growth rate, density of population, decadal variations and crude literacy etc., at the Union Territory and District levels was released on 22.3.1981. After the release of Paper-1 of 1981 a Supplement to this paper was also released which presented provisional data on workers distributed by broad industrial categories i.e. Cultivators, Agricultural Labourers, Household Industry and Other Workers, Marginal Workers and Non-Workers separately

for Rural/Urban areas. This supplement also gave data for Totally Blind, Totally Crippled and Totally Dumb persons as revealed during houselisting operations.

In this paper, final population total as well as final figures of Scheduled Caste Population for Chandigarh Union Territory, Chandigarh District, Chandigarh Tahsil for each City/Town with break up for each Sector/Ward in urban area and upto village in rural area are presented. The publication of Part-II-A General Population Tables giving final figures as per our tabulation plan is likely to take some time in printing etc., while there is a persistant demand from Union Territory Administration Offices, Central Government Offices and various institutions for supply of final figures for planning etc. To meet their urgent demands the Registrar General, India has decided to release the final figures for States and Union Territories. It is hoped that this paper will be found

useful and will meet the immediate need of the various Govt. Departments Semi-Government Institutions Research Organisations etc., who had been frequently asking us to supply final population data for each unit.

ARDAMAN SINGH
Director of Census Operations
Union Territory of Chandigarh
