The Primary Census Abstract(PCA) of the 1981 Census in respect of Mizoram Union Territory and its districts is now ready for publication in final form. It will be released as Part II - B in the regular series of 1981 Census reports.

However, since this publication will take some time to come out, and since the State Government and other Official Organisations are urgently in need of certain important Population Statistics viz (1) Total Population (2) Scheduled Caste Population and (3) Scheduled Tribe Population in respect of each territorial unit for various administrative purposes, it has been decided to bring out in a cyclostyled brochure the basic population statistics as mentioned above.

It may be noted that the territorial units for which the data are presented in this paper conform to the position that existed on the reference date of the Census i.e. 1st March 1981 and subsequent territorial changes have not been taken into account.

Dated Aizawl,
the 13th Sept'82.

Director of Census Operations
