PREFACE

The General Population Tables of the 1981 Census which give the basic data such as area, population etc. for the country and the different states and union territories are contained in four volumes, namely, Part II-A, Part II-B(i), Part II-B(ii) and Part II-B(iii). While Part II-A volume will have the A-Series Tables, Table A-1 to A-5, parts II-B(i), II-B(ii) and II-B(iii) will present the Primary Census Abstracts for General Population, Scheduled Castes and Scheduled Tribes respectively. Of these, Part II-B(*i*) and II-B(*ii*) have already been published and Part II-B(iii) will be released shortly.

Recognising the need for bringing out a handy volume presenting the figures relating to total population and Scheduled Castes and Scheduled Tribes population at one place, this paper is published. The population figures, sex-wise, are presented at country, state/union territory and district levels with rural-urban break-up, preceded by a brief analytical note. This paper is bound to serve as a useful reference volume to administrators, planners, research workers and the public.

The 1981 Census of India was organised and conducted by my predecessor Shri P. Padmanabha, IAS. The Primary Census Abstracts from which the figures presented in this paper have been extracted, were got manually prepared by the Directors of Census Operations for their respective states/union territories under the overall guidance of Shri P. Padmanabha who finalised these figures during his tenure of office. The authorship of the volume, therefore, rightly goes to him. I am grateful to him and the Directors of Census Operations. The credit for conceiving the idea of compilation and publication of this useful compendium of 1981 Census population statistics should go to Shri V.P. Pandey, Joint Registrar General, India who initiated action in this direction before I joined. I am thankful to him for his able assistance in bringing out this volume.

Dr. N.G. Nag, Deputy Registrar General assisted by his colleagues in the Social Studies division had carefully scrutinised the figures relating to Scheduled Castes and Scheduled Tribes. The task of compilation of the figures and the preparation of analytical note which was the responsibility of the Census Division of the Registrar General's Office was accomplished well in time by the officers and staff of that division under the overall guidance of Shri N. Rama Rao, Assistant Registrar General (Census & Tabulation). Shri S.C. Srivastava, Assistant Central Tabulation Officer was helpful in the close scrutiny of the figures and the preparation of notes, statements etc. quickly. I am thankful to all of them.

GENERAL NOTE

THE 1981 Census enumeration was conducted during February-March 1981, with sunrise of March 1, 1981 as the reference point of time. The houseless persons were enumerated on the night of the February 28 and a revisional round was conducted from March 1 to 5, 1981. In certain inaccessible areas, however, the enumeration was carried out non-synchronously. These areas include the snow bound regions of Jammu & Kashmir, Himachal Pradesh, Uttar Pradesh and Sikkim and the operations were also carried out non-synchronously in certain parts of Andaman & Nicobar Islands where the enumeration was carried out in September—October 1980. In Jammu & Kashmir the enumeration was carried out from April 20 to May 10, 1981, the reference point being the sunrise of May 6, 1981. The revisional round was from May 6 to May 10, 1981. This was due to the unfavourable weather conditions that prevailed in February 1981. The census could not be taken in Assam owing to disturbed conditions prevailing there at the time of 1981 Census. Similarly the census was not taken in those areas of Jammu & Kashmir which are under unlawful occupation of Pakistan and China.

General population tables, based on full count are presented in two parts, Part II-A and II-B, the later being split into three sub-parts. Part II-A will contain the general population tables A.1 to A.5 and their appendices and annexures. Part II-B(i) contains the basic data in the form of Primary Census Abstract giving area figures, occupied residential houses, number of households, general population, literates, main workers classified by the four broad industrial categories i.e. cultivators, agricultural labourers, workers in household industry (manufacturing, processing, servicing and repairs), and other workers; marginal workers and non-workers for India, its states and union territories, districts and within districts for cities and urban agglomerations each having a population of 100,000 and above. Part II-B(ii) and Part II-B(iii) give similar statistics for scheduled castes and scheduled tribes respectively with the exception of area figures and number of occupied residential houses.

The present paper gives the general population (i.e. the total population including scheduled castes and scheduled tribes) and separately the population of scheduled castes and scheduled tribes by total, rural and urban and also by sex break up. The figures are given for India, states/union territories and the districts. The aim of this brochure is to present the data of scheduled castes and scheduled tribes together with general population (i.e. total population including scheduled castes and scheduled tribes) which would go a long way in helping the research scholars, institutions and various departments etc. to have the data in one place.

As mentioned above the data in this brochure are presented for total, rural and urban areas separately. It would, therefore, be interesting to know the concepts of rural and urban areas which are defined below :

Rural and Urban Classification

The basic unit for rural areas is the revenue village which has definite surveyed boundaries. The revenue village may comprise several hamlets but the entire village has been treated as one unit for presentation of data. In unsurveyed areas, like villages within forest areas, each habitation area with locally recognised boundaries within each forest range officer's beat was treated as one unit.

The following criteria were adopted for treating a place as urban for the 1981 census :

(a) All statutory towns, i.e., all places with a municipal corporation, municipal board, cantonment board or notified town area etc.

(b) All other places which satisfy the following criteria :

(i) A minimum population of 5,000;

(ii) 75% of the male working population engaged in non-agricultural (and allied) activity; and

(iii) A density of population of atleast 400 per Sq. Km. (1,000 per Sq. Mile).

A town with a population of one hundred thousand and above was treated as a city.

The urban criterion of 1981 was the same as that for 1961 and 1971. However, whereas workers in occupations of fishing, livestock, hunting, logging, plantations and orchards etc., (falling in industrial category III) were treated as coming under non-agricultural activities in 1961 and 1971 censuses, in the 1981 census, these activities were treated as agricultural activities for purposes of determining the male working population in non-agricultural activities.

Scheduled Castes and Scheduled Tribes

In the Indian censuses prior to 1931, information was collected and published for each caste or tribe separately. In the 1931 census, tabulation of data for individual communities was limited to : (i) Exterior castes (ii) Primitive castes and (iii) all other castes with the exception of (a) those whose members fall short of four per thousand of the total population and (b) those for which separate figures were deemed to be unnecessary by the local government.

In the 1941 census, 'group totals' were tabulated for scheduled castes, tribes and anglo-Indians. Separate totals were furnished only for a few selected individual tribes.

When preparaions for the 1951 census were undertaken the Government of India had already accepted the policy of official discouragement of community distinctions based on caste. They decided, therefore, that no general race, caste or tribe enquiries should be made but an enquiry should be made regarding race, caste or tribe only to the extent necessary for providing information relating to certain special groups of the people who are referred to in the Constitution of India.

The scheduled castes and scheduled tribes were *enumerated from 1951 census onwards.* The scheduled castes and scheduled tribes are those notified by the President under Articles 341 and 342 of the Constitution. The relevant Articles are extracted below :

SCHEDULE CASTES—

341(1) :—The President may with respect to any State, and where it is a State specified in Part A or Part B of the First Schedule, after consultation with the Governor or Rajpramukh thereof, by public notification, specify the castes, races or tribes or parts of or groups within castes, races or tribes which shall for the purposes of this Constitution be deemed to be Scheduled Castes in relation to that State.

341(2) :—Parliament may by law include in or exclude from the list of Scheduled Castes specified in a notification issued under clause (I) any caste. race or tribe, or part of or group within caste, race or tribe, but save as aforesaid a notification issued under the said clause shall not be varied by any subsequent notification.

SCHEDULED TRIBES—

342(1) :—The President may with respect to any State, and where it is a State specified in Part A or Part B of the First Schedule, after consultation with the Governor or Rajpramukh thereof, by public notification, specify the tribes or tribal communities or parts of or groups within tribes or tribal communities which shall for the purposes of this Constitution be deemed to be Scheduled Tribes in relation to that State.

342(2) :—Parliament may by law include in or exclude from the list of Scheduled Tribes specified in a notification issued under clause (1) any tribe or tribal community or part of or group within any tribe or tribal community, but save as aforesaid a notification issued under the said clause shall not be varied by any subsequent notification.

From the 1951 census onwards the census questionnaires contained items of enquiry to ascertain whether the respondent belongs to a scheduled caste or a scheduled tribe and, if yes, the name of the scheduled caste/tribe to which he belongs with a view to collecting information for discharging the Constitutional obligations towards those communities. In the Individual Slip (Universal) adopted for the 1981 census, question 9 makes an enquiry about the scheduled caste or scheduled tribe status and question 10 about the name of the specific scheduled caste/tribe. Likewise, question 3 of the Household Schedule enquires whether the head of the household belongs to a scheduled caste or scheduled tribe and question 4 the name of the scheduled caste/tribe of the head of the household, if the answer to question 3 is in the affirmative.

The statutory lists of scheduled castes and scheduled tribes are notified in pursuance of Articles 341 and 342 of the Constitution. The Lists of Scheduled Castes and Scheduled Tribes were notified for the first time under the Constitution (Scheduled Castes) Order 1950, the Constitution (Scheduled Castes) (Part C States), Order 1951 and the Constitution (Scheduled Tribes) Order, 1950, the Constitution (Scheduled Tribes) (Part C States) Order 1951. These lists have been *modified or amended or supplemented from time to* time. On the reorganisation of the states, the Scheduled Castes and Scheduled Tribes Lists (Modification), Order came into force from 29th October, 1956. Thereafter, a few orders specifying scheduled castes/tribes in respect of a few individual states also came into force. For instance, the Constitution (Jammu & Kashmir) Scheduled Castes Order was issued in 1956, while the Constitution (Dadra & Nagar Haveli) Scheduled Castes and Scheduled Tribes Orders were issued in 1962. In Uttar Pradesh, the Scheduled Tribes were notified for the first time in 1967 vide the Constitution (Scheduled Tribes) (Uttar Pradesh) Order, 1967. Likewise, the Constitution (Pondicherry) Scheduled Castes Order was enforced in 1964. In case of the union territory of Goa, Daman & Diu the Scheduled Castes and Scheduled Tribes Order was issued in 1968. Likewise the Constitution (Nagaland) Scheduled Tribes Order came into force in 1970. Later, the Scheduled Castes and Scheduled Tribes Orders (Amendment) Act, 1976 came into force. The main purpose of this Amendment Act was to remove area restrictions in respect of most of the Scheduled Castes and Scheduled Tribes. The Amendment Act of 1976 did not include the lists of Scheduled Castes and Scheduled Tribes in respect of states/union territories like Chandigarh, Delhi, Jammu & Kashmir and Pondicherry etc. which were not affected by the Act.

Each enumerator was furnished with a list of Scheduled Castes and Scheduled Tribes in relation to his State/Union territory as notified under the Scheduled Castes and Scheduled Tribes Orders (Amendment) Act, 1976 and other relevant Acts and Orders. If the person enumerated belonged to a Scheduled Caste or a Scheduled Tribe he/she was recorded as such. If the person belonging to a scheduled caste or a scheduled tribe returned his/her caste or tribe by a synonym or generic name of a caste or a tribe, he/she was reckoned as scheduled caste or scheduled tribe only if the name found place in the list furnished to the enumerator. The general terms, like Harijans/Girijan or Achhut/Adivasi were not reckoned as belonging to scheduled caste or scheduled tribe, as the case may be. In such cases the name of the caste/tribe, was ascertained fully and if that name found place in the list furnished to the enumerator, he/she was treated as scheduled caste

or scheduled tribe as the case may be. If the person merely claimed to be a scheduled caste or scheduled tribe, but said that he/she did not belong to any of the notified communities applicable to the area, as reflected in the list supplied to the enumerator, he/she was not reckoned as belonging to a scheduled caste or a scheduled tribe. Scheduled castes can belong to Hindu or Sikh religion, whereas scheduled tribes can belong to any religion. The name of scheduled castes and scheduled tribes of each state/union territory as was used by the enumerators are given in Annexe-1.

No caste was notified as Scheduled Caste for Nagaland, Andaman & Nicobar Islands and Lakshadweep and no tribe was notified as Scheduled Tribe for Haryana, Jammu & Kashmir, Punjab, Chandigarh, Delhi and Pondicherry.

A specimen copy of each of the two schedules canvassed in the 1981 census i.e. individual slip and household schedule through which data including information relating to scheduled castes and scheduled tribes were collected are given in Annexe-2 at the end of this note.

TABLE—GENERAL POPULATION AND POPULATION OF SCHEDULED CASTES AND SCHEDULED TRIBES—1981 CENSUS

GENERAL NOTE TO THE TABLE

The table gives the general population, population of scheduled castes and scheduled tribes according to 1981 census. The figures for each of the categories are classified by sex for total, rural and urban areas. The data are given for all India, states, union territories and the districts.

The figures given in the table exclude the population of areas under unlawful occupation of Pakistan and China where census could not be taken.

The figures for India also exclude Assam where the census could not be held owing to disturbed conditions prevailing there at the time of the 1981 census. The general population figures of Assam, however, are projected and the population of India including the projected population of Assam for 1981 census as determined by the Expert Committee on Population Projections set up by the Planning Commission and Assam separately are as follows :

		Persons	Males	Females
INDIA	Total	685,184,692	354,397,884	330,786,808
	Rural	525,457,335	269,363,746	256,093,589
	Urban	159,727,357	85,034,138	74,693,219
ASSAM	Total	19,896,843*	10,467,461	9,429,382
	Rural	17,849,657	9,309,726	8,539,931
	Urban	2,047,186	1,157,735	889,451

*This figure is arrived at by substracting from the Expert Committee's projected population of 20,390,600 for Assam (including Mizoram) the 1981 census population of 493,757 of Mizoram Union Territory.

No caste was notified as Scheduled Caste for the states of Nagaland, Andaman & Nicobar Islands and Lakshadweep. Similarly no tribe was notified as Scheduled Tribe for Haryana, Jammu & Kashmir, Punjab, Chandigarh, Delhi and Pondicherry.

The figures for Scheduled Tribes in India and Andaman & Nicobar Islands are exclusive of Jarawas (except 31 who were enumerated for the first time in 1981 census) and Sentinelese tribes of these islands. These tribemen could not be contacted and hence no information pertaining to them could be collected at the 1981 census.
