PREFACE

As part of the 1981 Census publication programme, a number of papers have been brought out eversince the conclusion of the 1981 Census Operations giving information for which tabulation was completed. The intention behind this was to make available the data to the data users with least possible delay as the release of the data through the regular planned volumes would take considerable time. In this paper, Table HH-15 : Household Population by Religion of Head of House hold is presented.

The 1981 Census Operation in Karnataka was conducted under the overall supervision of Sri B. K. Das, IAS, Director of Census Operations, who left this organisation to take up an assignment with the Government of Karnataka. The processing of data on religion and preparation of the table presented in this paper were completed during his tenure.

We gratefully acknowledge the guidance and valuable advice we received from Sri. P. Padmanabha, IAS, former Registrar General, India, Sri V. S. Verma, IAS, the present Registrar General, India, and Sri. V. P. Pandey, Joint Registrar General, India in the preparation of this paper. Our thanks are also due to Dr. N. G. Nag, Deputy Registrar General, India and his colleagues in the Social Studies division who scrutinised the religion returns. We owe our grateful thanks to Sri N. Rama Rao, Assistant Registrar General (C & T), and Sri Madan Singh, Senior Research Officer in the Office of the Registrar General, India for their valuable guidance at the various stages of the processing of the data.

We acknowledge the great assistance received in preparing this volume from Sri S. R. Raghavendra Rao, Assistant Director of Census Operations (T) and Sri V. Thippasetty, Senior Supervisor and all other concerned staff.

We gladly place on record our thanks to Sri E. R. Gadkar, Manager, and Sri P. V. Ramachandran, Assistant Manager, Government of India Press, Coimbatore for their personal attention at every stage of printing of this publication. But for their initiative and sincere efforts, we would not have brought out this publication so neatly in so short a time. Our thanks are also due to all other concerned officers and staff of the Press for their whole-hearted co-operation.

It may be pointed out that the 1971 religion data were based on individual returns as recorded in the Individual Slip, whereas this paper is based on the religion of the head of the household as given in the Household Schedule of 1981 Census. NOTE ON TABLE HH-05 HOUSEHOLD POPULATION

BY

RELIGION OF HEAD OF HOUSEHOLD

This table corresponds to table C-VII—Religion, of 1961 and 1971. The only difference is that the figures for religion for 1961 and 1971 are based on the religion of the individual whereas the figures presented in this table give the household population classified by religion of the head of households in respect of all households except institutional households. In the case of institutional households, the information on the religion of each individual was abstracted from the Individual Slip. This table is followed by three appendices and an annexure.

The table gives data for persons, males and females separately for each of the six major religious communities viz., Buddhists, Christians, Hindus, Jains, Muslims and Sikhs by total, rural and urban for state/district/taluk/U.A./city/town. The number of households are aiso given. The religions in the table have been arranged in alphabetical order and the data presented include all population--those living in normal households and institutional households and the houseless population.

The figures of other religions have been grouped together in the column 'other religions and persuasions'. Details of other religions and persuasions, the strength of which at the state level is 100 and above each, appear in Appendix 'A' accompanying the table. The remaining religions and persuasions the strength of each of which is less than 100, at the state level appear in Appendix-B. The Appendix-C gives the data of those urban agglomerations which are spread over two or more taluks. The annexure which follows this table gives the details of sect, belief or religion clubbed with another religion which is shown at the head of the table in block letters.

Names of towns treated as such for the first time in 1971 census and which continue as towns in the 1981 census are indicated by an asterisk(*) on their left. Names of new taluks formed after 1971 census and names of towns treated as such for the first time in the 1981 census are printed in *italics*.

The following abbreviations are used within brackets against the names of the towns to indicate the civic status of the towns.

C	--	Municipal Corporation
CB	--	Cantonment Board
M	--	Municipality
NAC	--	Notified Area Committee
P	--	Panchayat
SA	--	Special Area
SB	--	Sanitary Board
TP	--	Town Panchayat

Outgrowths of Urban Agglomerations are denoted by 'OG' within brackets given against their names.

Under column 2 of the Table the following abbreviations are used.

T : Total ; R : Rural ; U : Urban

'P', 'M' and 'F' stand for Persons, Males and Females respectively.

NOTE ON APPENDICES AND ANNEXURE TO TABLE HH-15

The main table HH-15—Household population by religion of head of household—gives the distribution of population by six major religious communities (Buddhists, Christians, Hindus, Jains, Muslims and Sikhs) and the combined figures for 'other religions and persuasions' and 'religion not stated'. Appendix-A to table HH-15 gives the details of the religions shown under 'other religions and persuasions', having a strength of 100 and above each at State level. The remaining religions and persuasions, the strength of each of which is less than 100 at the State level, are given in Appendix-B. The data presented in these two appendices are for concerned districts. Appendix-C gives the figures of those urban agglomerations which spread over two or more taluks.

The appendices are followed by an Annexure giving the details of sect, belief and religion clubbed with another religion which is shown at the heading of the Table in block letters.
