FOREWORD

Our Constitution provides certain safeguards for Scheduled Castes and Scheduled Tribes. Such communities are notified by a Presidential Order. For the purpose of the 1981 Census, the Scheduled Castes and the Scheduled Tribes Orders (Amendment) Act, 1976 was adopted. The salient features of this Act have been given in the General Note. The data, thus collected, were processed on computer and the special tables for the Scheduled Castes and Scheduled Tribes have been generated and published in the hope that these will be useful for the planning and implementation of welfare measures in respect of these socially and economically handicapped communities.

NEW DELHI,
April 8, 1988.

V. S. VERMA
Registrar General, India.

PREFACE

The processing of data collected during the 1981 Census for Scheduled Castes and Scheduled Tribes was planned to be carried out on computer on full count. The tables included in Part IX are being published in four volumes. The special tables for Scheduled Castes are being presented in two volumes – Part IX (i) & Part IX (ii), consisting of tables 1 to 3 and 4 to 6 respectively. Similarly the special tables for Scheduled Tribes are being presented in two volumes—Part IX (iii) & Part IX (iv) consisting of tables 1 to 4 and 5 to 7 respectively. The tables presented in these volumes for Scheduled Castes and Scheduled Tribes are more or less on the same pattern as adopted in 1971 census with additional information based on the new concepts adopted in 1981 Census.

The Director of Census Operations, Shri S. S. Jaya Rao, I.A.S., under whose guidance the entire operations were carried out, deserves all credit for the success of the operations. But he has retired from service after reaching superannuation in 1984, far before the volume in question could be made ready for the press. I must record my deepest sense of gratitude to Shri P. Padmanabha, Ex-Registrar General, India and Shri V. S. Verma, Registrar General, India for their valuable suggestions and guidance rendered to us at every stage to bring out this publication in time. I also thank the officers and staff of the Data Processing Division, Census Division and Printing Division of the Office of the Registrar General, India associated with this task.

The processing of the data was undertaken by the Data Processing Division of the Registrar General's Office under the able guidance of S/Shri A. Sen Gupta, Joint Director (Data Processing) and K. R. Unni, Joint Director (Programming) with the help of their staff. The Census Division had taken over the responsibility of scrutiny of the tables, preparation of General Note and fly-leaves of this publication and this work was very ably carried out under the supervision of Shri N. Rama Rao, Deputy Registrar General (Census & Tabulation), Shri V.P. Rustagi, Deputy Director of Census Operations and Shri Babu Lal, Asstt. Director of Census Operations (T) with the help of their team of able assistants took keen interest in finalising the tables and getting them ready for printing. Shri B.P. Jain, Deputy Director (Printing) and his colleagues in the printing division have helped in seeing the volume through the press.

In my own office, Shri, A. C. Reddy, Assistant Director assisted by the staff who worked diligently with devotion have been mainly responsible for shaping this volume.

HYDERABAD,
15-12-1988.

CH. PURNACHANDRA RAO,
Deputy Director of Census Operations,
Andhra Pradesh.

SPECIAL TABLES FOR SCHEDULED CASTES AND SCHEDULED TRIBES

GENERAL NOTE

The present volume provides data pertaining to individual Scheduled Castes and Scheduled Tribes. The sepecial tables for Scheduled Castes and Scheduled Tribes are being published separately since the 1961 Census. The 1981 Census Scheduled Castes and Scheduled Tribes special tables covered under Part-IX give the data on industrial categories of main workers, marginal workers, type of activity of marginal workers and non-workers, age, sex, marital status, educational levels etc for State/Union Territory and District level for each Caste and tribe. Most of the tables included in this volume correspond to these published in Part-V-A Volume of 1971. A few more tables relating to Marginal workers and in respect of those seeking/available for work have also been introduced for the first time in the 1981 Census.

Scheduled Castes and Scheduled Tribes

In the Indian Censuses prior to 1931, information was collected and published for each caste and tribe separately. In the 1931 census, tabulation of data for individual communities was limited to : (i) exterior castes, (ii) primitive castes and (iii) all other castes with the exception of (a) those whose members fell short of four per thousand of the total population and (b) those for which separate figures were deemed to be unnecessary by the local government.

In the 1941 Census, 'group totals' were tabulated for Scheduled Castes/Tribes and Anglo-Indian. Separate totals were furnished only for a few selected individual tribes.

When preparations for the 1951 Census were undertaken, the Government of India had already accepted the policy of official discouragement of community distinctions based on caste. They decided, therefore, that no general race, caste or tribe enquiries should be made but an enquiry should be made regarding race, caste or tribe only to the extent necessary for providing information relating to certain special groups of the people who are referred to in the Constitution of India. The relevant Articles are extracted below :

Scheduled Castes

341(1) : The President may with respect to any State, and where it is a State specified in Part A or Part B of the First Schedule, after consultation with the Governor or Rajpramukh thereof, by public notification, specify the castes, races or tribes or parts of or groups within castes, races or tribes which shall for the purposes of this Constitution be deemed to be Scheduled Castes in relation to that State.

341(2) : Parliament may by law include in or exclude from the list of Scheduled Castes specified in a notification issued under clause (1) any caste, race or tribe or part of or group within any caste, race or tribe, but save as aforesaid a notification issued under the said clause shall not be varied by any subsequent notification.

Scheduled Tribes

342(1) : The President may with respect to any State, and where it is a State specified in Part A or Part B of the first Schedule, after consultation with the Governor or Rajpramukh thereof, by public notification, specify the tribes or tribal communities or parts of or groups within tribes or tribal communities which shall for the purposes of this Constitution be deemed to be Scheduled Tribes in relation to that State.

342(2): Parliament may by law include in or exclude from the list of Scheduled Tribes specified in a notification issued under clause (1) any tribe or tribal community or part of or group within any tribe or tribal community, but save as aforesaid a notification issued under the said clause shall not be varied by any subsequent notification.

From the 1951 Census onwards the Census questionnaire contains items of enquiry to ascertain whether the respondent belongs to a Scheduled Caste or a Scheduled Tribe and if yes, the name of the Scheduled Caste/Tribe to which he belongs with a view to collecting information for discharging the Constitutional obligations towards these communities. In the Individual Slip (Universal) adopted for the 1981 Census, question 9 makes an enquiry about the Scheduled Caste or Scheduled Tribe status and question 10 about the name of the specific Scheduled Caste/Tribe. Likewise, question 3 of the household schedule enquiries whether the head of the household belongs to a Scheduled Caste or Scheduled Tribe and question 4, the name of the Scheduled Caste/Tribe of the head of the household, if the answer to question 3 is in the affirmative.

The statutory lists of Scheduled Castes and Scheduled Tribes are notified in pursuance of Articles 341 and 342 of the Constitution. The lists of Scheduled Castes and Scheduled Tribes were notified for the first time under the Constitution (Scheduled Castes) Order, 1950, the Constitution (Scheduled Castes) (Part C States) Order, 1951, and the Constitution (Scheduled Tribes) Order, 1950, the Constitution (Scheduled Tribes) (Part C States) Order, 1951. These lists have been modified or amended or supplemented from time to time. On the reorganisation of the States, the Scheduled Castes and Scheduled Tribes, Lists (Modification), Order came into force from 29th October, 1956. Thereafter, a few orders specifying Scheduled Castes/Tribes in respect of a few individual states also came into force. For instance, the Constitution (Jammu & Kashmir) Scheduled Castes Order was issued in 1956, while the Constitution (Dadra & Nagar Haveli) Scheduled Castes and Scheduled Tribes Orders were issued in 1962. In Uttar Pradesh, the Scheduled Tribes were notified for the first time in 1967 vide the Constitution (Scheduled Tribes) (Uttar Pradesh) Order, 1967. Likewise, the Constitution (Pondicherry) Scheduled Castes Order was enforced in 1964. In the case of the Union Territory of Goa, Daman & Diu, the Scheduled Castes and Scheduled Tribes Order was issued in 1968. Likewise, the Constitution (Nagaland) Scheduled Tribes Order came into force in 1970. Later, the Scheduled Castes and Scheduled Tribes Order (Amendment) Act, 1976, came into force. The main purpose of this Amendment Act was to remove the area restrictions in respect of most of the Scheduled Castes and Scheduled Tribes. The Amendment Act of 1976 did not include the lists of Scheduled Castes and Scheduled Tribes in respect of States/Union Territories like Chandigarh, Delhi, Jammu & Kashmir and Pondicherry which were not affected by the Act.

Each enumerator was furnished with a list of Scheduled Castes and Scheduled Tribes in relation to his State/Union Territory as notified under the Scheduled Castes and Scheduled Tribes Order (Amendment) Act, 1976, and other relevant Acts and Orders. If the persons enumerated belongs to a Scheduled Caste or a Scheduled Tribe he/she was recorded as such. If the persons belonging to a Scheduled Caste or a Scheduled Tribe returned his/her caste or tribe by a synonym or generic name of a caste or a tribe, he/she was reckoned as Scheduled Caste or Scheduled Tribe only if the name found place in the list furnished to the enumerator. The general terms, like Harijan/Girijan or Achhut/Adivasi were not reckoned as belonging to Scheduled Caste or Scheduled Tribe as the case may be. In such cases the name of the caste/tribe, was ascertained fully and if that name found place in the list furnished to the enumerator he/she was treated as Scheduled Caste or Scheduled Tribe as the case may be. If the persons merely claimed to be a Scheduled Caste or Scheduled Tribe, but said that he/she did not belong to any of the notified communities applicable to the area, as reflected in the list supplied to the enumerator, he/she was not reckoned belonging to a Scheduled Caste or a Scheduled Tribe. Scheduled Castes could belong to Hindu or Sikh religion, whereas Scheduled Tribes could belong to any religion.

The list of Scheduled Castes and Scheduled Tribes as used by the enumerator in Andhra Pradesh is given in Appendix.

In the present volume, Special tables relating to Scheduled Castes and Scheduled Tribes are presented in two sections. The first set of tables gives detailed information for Scheduled Castes followed by Scheduled Tribes tables. This volume covers six tables for Scheduled Castes and Seven tables for Scheduled Tribes. Each table is presented by a note (fly-leaf) which explains the broad features and mode of presentation of data.

It is for the first time that the processing of data collected during the 1981 Census of India has been done on the electronic computer except some minimal manual tabulation relating to General Population Tables, Primary Census Abstract, Data on Household population by religion of the Head of Household and Household population by language mainly spoken in the Household. The special tables for Scheduled Castes/Scheduled Tribes are based on the information collected through question nos. 3 to 16 (except question 13) of 1981 Individual Slip (Universal). Although the present data for Scheduled Castes/Scheduled Tribes have been generated on cent per cent basis, there may be some marginal differences in totals which are mainly due to different methods adopted in tabulation and rounding off.
