SERIES 24

ARUNACHAL PRADESH

PART V-A

SPECIAL TABLES FOR SCHEDULED CASTES AND SCHEDULED TRIBES, ARUNACHAL PRADESH

J. K. Barthakur,
Of the Indian Frontier Administrative Service,
Director of Census Operations
Arunachal Pradesh
October, 1975

Statements made, views expressed and conclusions drawn in this report are wholly the responsibility of the author alone in his personal capacity and do not necessarily represent the views of the Government

Arunachal Pradesh is a thinly populated hilly tract lying roughly between the latitudes 26° 28′ N and 29° 30′ N and the longitudes 91° 30′ E and 97° 30′ E on the north-east extremity of India, comprising roughly of 83,578 kilometre squares of area bordering the international boundaries of Bhutan, Tibet, China and Burma. Arunachal Pradesh is known to be rich in flora, fauna, power and mineral potential.

When 1971 Census was taken in Arunachal Pradesh, the area was known as the North-East Frontier Agency (NEFA in short) which was constitutionally a part of the State of Assam. At that time, NEFA was directly administered by the President of India through the Governor of Assam as his agent, who was assisted by an adviser. The Office of the adviser to the Governor of Assam was situated at Shillong, the Capital of Assam.

On the 21st day of January, 1972, NEFA has been made into a Union Territory under the provision of the North Eastern Areas (Reorganisation) Act, 1971 (81 of 1971) and is placed under the charge of a Chief Commissioner with his Headquarters at Shillong, now the Capital of the State of Meghalaya.

PREFACE

One of the special features of 1971 Census is the compilation of 'Special Tables' with respect to Scheduled Tribes and Scheduled Castes. The tables deal with aspects of Scheduled Tribes and Scheduled Castes for rural and urban areas separately, such as (1) Industrial Classification of persons at work and non-workers by sex, (2) age and marital status, (3) educational level, (4) persons not at work classified by sex, type of activity and educational level, and (5) religion (for Scheduled Tribes only). These special tables are presented in this volume.

1971 Census reveals a list of 110 Scheduled Tribes and 6 Scheduled Castes in Arunachal Pradesh. A possible rationalisation may reduce the number of tribes of Arunachal Pradesh to about a score. The same was indicated in Chapter X of our publication Part I-A—General Report. However, no attempt has been made in this publication for such a rationalisation.

I am sure that the readers will find the tables presented in this volume valuable.

Shillong,
October, 1975.

J. K. Barthakur

'N' Stands for Negligible

The map showing the distribution and percentage to total population of five numerically largest Scheduled Tribes in each district of Arunachal Pradesh by choropleth method is printed on the following page of this volume. The actual percentage of Scheduled Tribe population to the total district population is provided within brackets. The state percentage of literacy among Scheduled Tribes (inclusive of age group 0-4) is taken to distinguish the districts going above or falling below the state average.

The distribution and percentage to total population of the Scheduled Castes in Arunachal Pradesh is very insignificant and as such it has not been represented in the map.

Based upon Survey of India map with the permission of the Surveyor General of India.
