NORTH ARCOT DISTRICT

1981 CENSUS

Director of Census Operations Tamil Nadu

PREFACE.

The Paper 1 of 1982 containing the final population and other particulars in Tamil Nadu at district, taluk and town levels was brought out some time in August 1982 to meet the macro-level needs of the data users.

The Government of Tamil Nadu have requested this Department to expedite the final figures of 1981 Census population relating to Panchayats so as to refix the strength of members in panchayats and also to reserve seats to Scheduled Castes / Scheduled Tribes as well as women in the forthcoming panchayat elections. With a view to meet the urgent needs of the State Government, this booklet with panchayat-wise population together with Scheduled Castes / Scheduled Tribes population required for the above mentioned purposes is being brought out. It is hoped that this would also be useful for public institutions and private bodies initiating developmental processes at the panchayat level.

A. P. MUTHUSWAMI
of the Indian Administrative Service,
Director of Census Operations,
Tamil Nadu.
