Result of Techniical bid evaluation for Selection of Agency for Development of Software Application for Complete Automation of Sample Registration System.

In response to RPF issued four bids were submitted by the following vendors:-

(1) M/s Stesalit Limited, Kolkata.
(2) M/s VARKUL Websoft Private Limited, Dwarika, New Delhi.
(3) M/s Planet E Com Solutions Private Limited, PeeraGarhi, New Delhi.
(4) M/s SRIT, Bangalore.

M/s VARKUL Websoft Private Limited, Dwarika, New Delhi had claimed to be exempted from EMD and tender cost based on the certification issued by NSIC. The Committee requested M/s VARKUL Websoft Private Limited to produce the original certificate for verification as the copy provided was not authenticated by NSIC. The same could not be produced by the bidder and their bid was rejected.

Subsequently the technical evaluation was done for the three remaining bidders. The following is the outcome of technical evaluation:-

M/s SRIT, banglore has not been found to be technically eligible as they have failed to obtain 70 marks as prescribed in the bid document to qualify for commercial bid opening.

M/s Stesalit Limited, Kolkata and M/s Planet E Com Solutions Private Limited, PeeraGarhi, New Delhi have been found to be technically eligible for participation in the commercial bid opening.
